If you own a showroom, WarmlyYours is offering you the ability

to customize your own discounts on any WarmlyYours radiant heating products.* Need an incentive to help close a deal? Now you have it.

By setting up your own customer promotions, you can determine:

If discounts should be available at one store or multiple locations

What products or entire product lines will be included

When and for how long the discount should remain in effect

You customize the promotion.

Run a summer promotion that offers 20% off WarmlyYours' entire line of towel warmers, or give your customers 20% off WarmlyYours' TempZone[™] floor-heating rolls between Sept. 1 and Sept. 15. A plethora of choices are at your fingertips. Just imagine how excited your customers will be to get a discount just for shopping with you!

WarmlyYours will track your promotion and provide you with a promotion impact report that measures the percentage of sales resulting from the promotion. By analyzing these results, we can ensure that your promotions are as successful as possible. Now is your chance. Customize your WarmlyYours promotions by filling out the attached form.
