

Dear WarmlyYours Distributor,

As a distributor of WarmlyYours Radiant Heating products in Canada, we'd like to remind you that our Environ Flex Rolls and Environ Easy Mats are certified to UL for use under laminate surfaces in Canada. However, they are **not** C-UL or CSA listed for use in direct contact with carpeting. Therefore, we do not advise selling WarmlyYours Environ Flex Rolls or Environ Easy Mats to customers who wish to install the heating system under carpeting.

Please sign below to acknowledge that you have read and understood the disclaimer above. By signing this document, you are also confirming that WarmlyYours cannot be held responsible for any installation issues associated with installing Environ Flex Rolls or Easy Mats underneath carpeting.
