INSTALLATION INSTRUCTIONS

ALL WIRING SHOULD BE DONE BY A LICENSED ELECTRICIAN

WARNING

Shut off power before wiring the mirror.

WARNING

This mirror requires a grounded electrical connection. Connect it to a grounded metal wiring system, or connect an equipment grounding wire directly to the mirror's grounding lead.

CAUTION

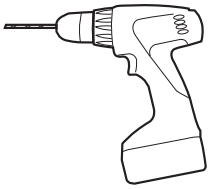

Requires a 120 VAC, 15-amp, GFCI-protected circuit.

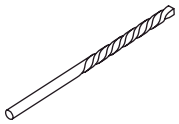

Important Notice for Québec Consumers:

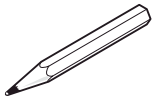

Important Notice for Québec Consumers: WarmlyYours does not provide repair services for this product. No replacement parts are available for the mirror (glass), additional hardware, LED light bulbs, mounting brackets, or electrical wiring. If your LED mirror fails within the warranty period, we will replace the entire unit according to our warranty policy. Our technical support team is available 24/7 by phone for installation and troubleshooting assistance. For full details, see our Return Policy. This notice is provided in accordance with Québec's Consumer Protection Act, section 39 (as amended in 2025).

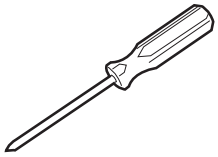

INSTALLATION INSTRUCTIONS

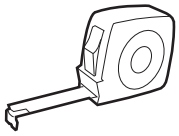

Required Tools

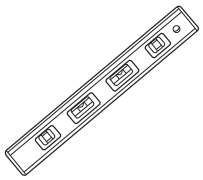

Electric Drill

1/8" Drill Bit

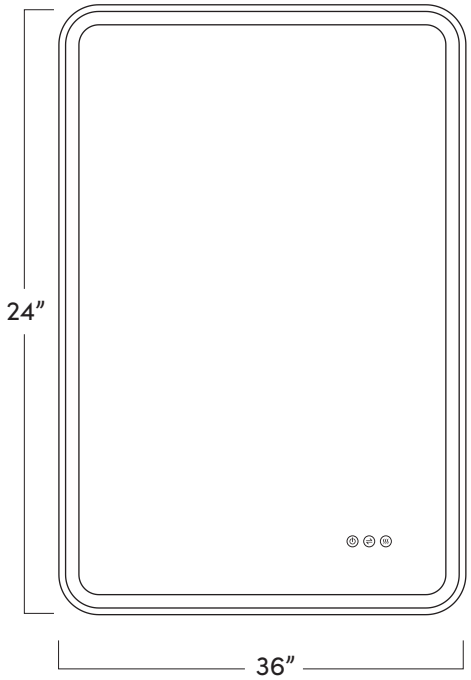

Pencil

Phillips Screwdriver

Tape Measure

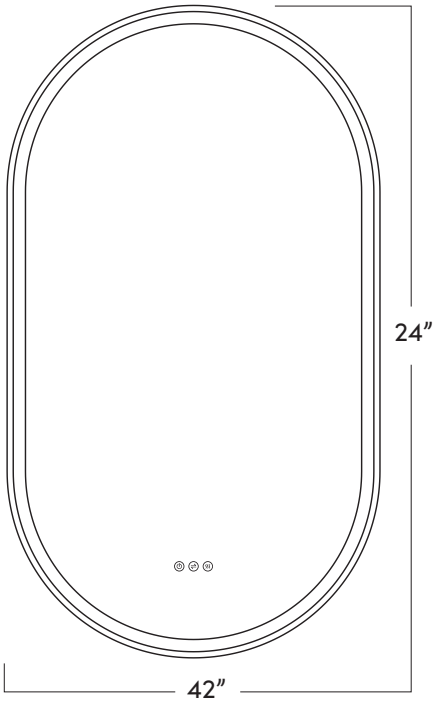

Level

Parts Included

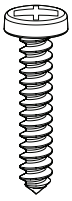

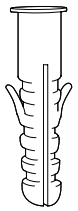

Rectangular Mirror

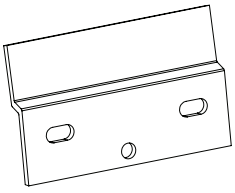

or

Capsule-shaped Mirror

Screw (x4)

Anchor (x4)

Wall Hanger (x2)

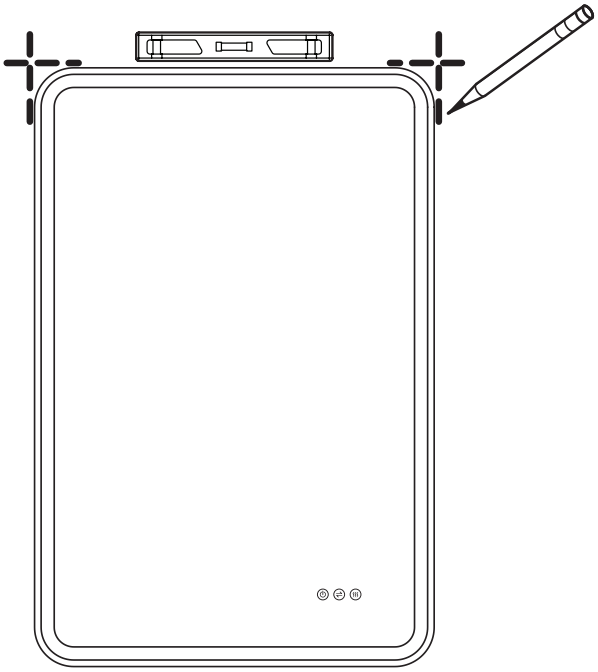

Note: Determine overall mirror dimensions before proceeding to installation.

* All dimensions & specifications are approximate and subject to change without notice

INSTALLATION INSTRUCTIONS

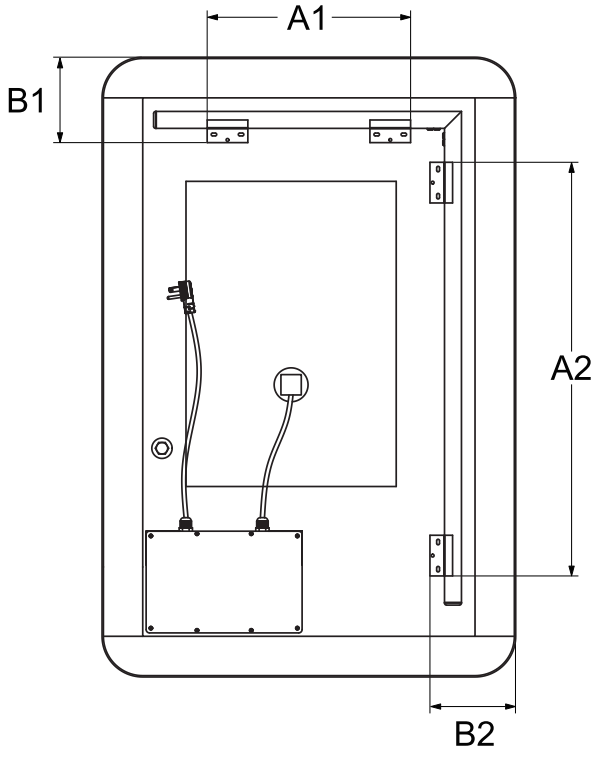

1 **Placement**

Select the desired position of the mirror. Mark the curve at the top of the mirror.

2 **Support Location**

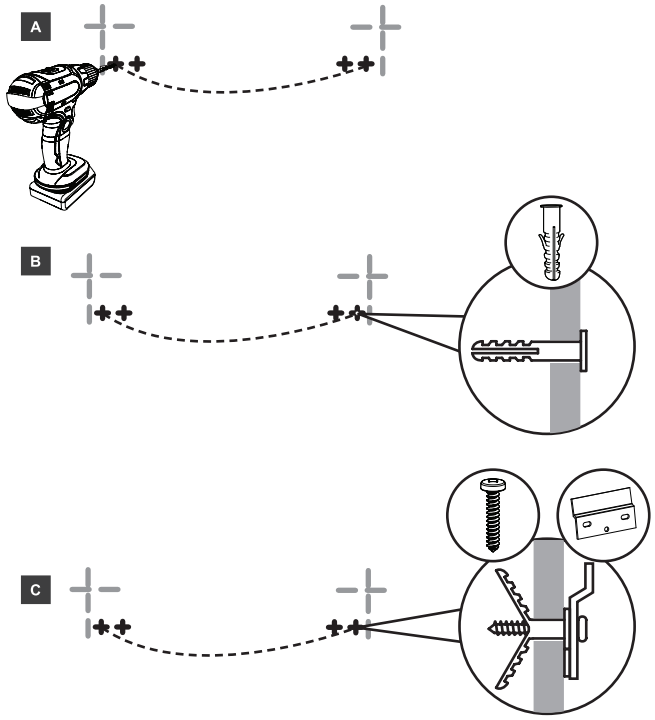

Measure the center of the holes and mark the drilling locations. Ensure the marks are level.

INSTALLATION INSTRUCTIONS

3 Install Wall Hangers

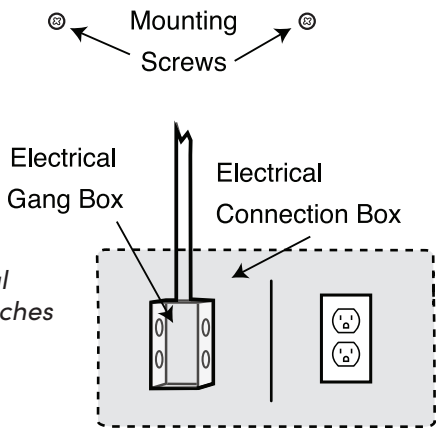

Using a drill, make holes and fill with supplied plugs and screws. Screw the WALL HANGERS to the wall.

4 Connection

Install an electrical gang box A (for a hardwired connection to a switch) or a recessed outlet B (for a plug-in connection) to align with the electrical connection box located on the back of the unit.

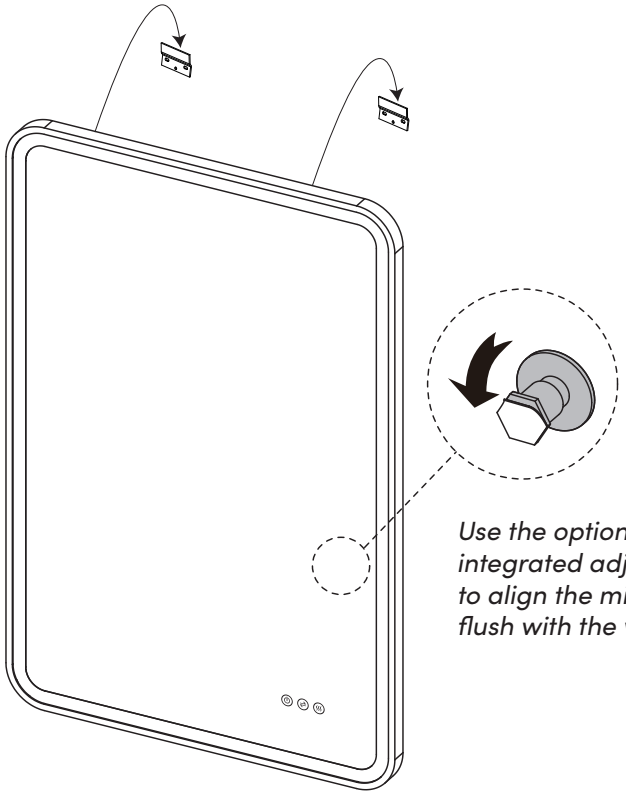

If hardwiring the unit, cut or remove the power plug and make a permanent connection to a suitable wall switch inside an electrical gang box.

Install the electrical gang box so it matches the location of the mirror's electrical connection box.

5 Placement

Hang the mirror onto the wall.

Use the optional integrated adjuster to align the mirror flush with the wall.

USE AND MAINTENANCE

Three-button Touch Control

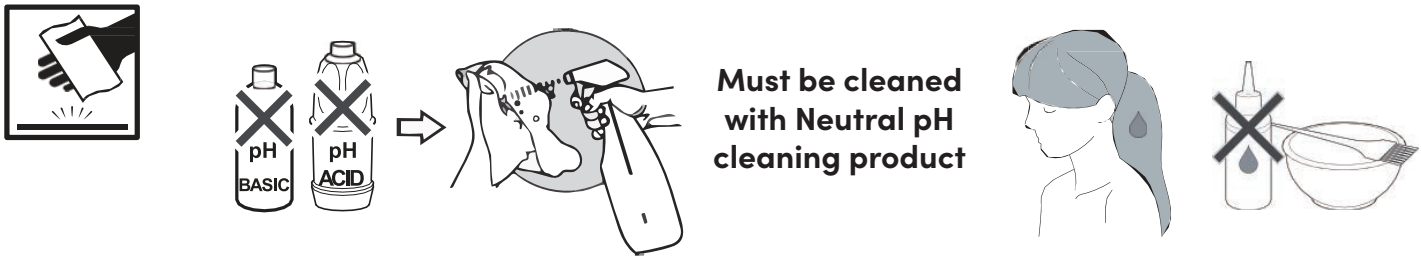

Tap the touch button to turn the light on or off.

Tap and hold to adjust the brightness.

Tap to switch among three color options (cool-neutral-warm), or tap and hold to adjust the color temperature continuously.

Tap the touch button to turn the defogger on or off.
The defogger automatically shuts off after 1 hour.

Power to the mirror can be controlled using an external wall switch or a switched electrical outlet. The built-in smart memory automatically saves your light settings when power is disconnected and restores the mirror to its previous **ON** state as soon as power is reapplied.

Must be cleaned with Neutral pH cleaning product

To clean the mirror, use a soft cloth dampened with water, a neutral pH cleaner, or a 50/50 solution of water and isopropyl alcohol. Never spray cleaner directly onto the mirror or surrounding surfaces—always spray the cloth instead. Avoid ammonia- or vinegar-based cleaners, as well as abrasive cleansers, which can damage the mirror and fixture finish.

WARRANTY

WarmlyYours 3-Year Limited Warranty

WarmlyYours warrants to the original purchaser that it will, at its election, repair, replace, or make appropriate adjustments to products manufactured or sold by WarmlyYours shown to have significant defects in material or workmanship, provided such defects are reported in writing to WarmlyYours within three (3) years from the date of delivery.

WarmlyYours is not responsible for installation, removal, or labor costs. The warranty is void in the event the product is damaged in transit, or if damage or failure is caused by abuse, misuse, abnormal usage, faulty installation, accident, improper maintenance, or any repairs other than those authorized by WarmlyYours.

At the expiration of the three (3) year warranty period, WarmlyYours shall be under no further obligation under any warranty, expressed or implied, including the implied warranty of merchantability. WarmlyYours shall not be liable for any consequential or incidental damages arising out of or in connection with the use or performance of its products.

Some states do not allow limitations on how long an implied warranty lasts or do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. Any liability against WarmlyYours under any implied warranty, including the warranty of merchantability, is expressly limited to the terms of this warranty.

Permission to return any merchandise under this warranty must be authorized in advance by WarmlyYours, and returned prepaid by the purchaser. Claims under this warranty may be submitted directly to WarmlyYours or through the authorized dealer from whom the product was purchased.
