*Benefit from introducing your customers to outdoor radiant heating. Nothing is more convincing than seeing it with your own eyes – or in this case, feeling the radiant warmth first hand. Give your customers this unique WarmlyYours experience with a heated driveway, heated staircase or roof and gutter deicing display right at the entrance to your showroom. Experiencing the comfort and luxury of outdoor floor heating at the “time of sale” improves same-customer sales and attracts new customers to outdoor radiant heating solutions.*

## Outdoor Radiant Heating Display Program includes:

- **First 50 Sq. Ft.** of outdoor heating of your choice below **FREE\***.
- Choose from Snow Melting Mats or Cables, or Roof and Gutter Deicing Cables only.
- 50% off MSRP on all Controls quoted for the display.
- WarmlyYours plaque for additional signage

**Total Value: \$538.00!**

Any additional square footage for **50% OFF MSRP**, rebatable\* on your next WarmlyYours purchase of any radiant heating product, indoors or out.
