

# TempZone™ Shower Floor & Bench Mats

Do you look forward to taking a long, relaxing shower... but dread stepping onto a cold tile floor? Enhance your everyday shower experience with WarmlyYours Shower Floor and Bench Mats. Bask in warm, flowing water while being enveloped by radiant heat emanating from your shower itself – the perfect formula for your shower oasis.

Safe for use in wet locations, this system is ideal for today's spa bathroom. Now, you can enjoy your bathroom floor heating experience right in your walk-in shower. Our system works especially well for larger, luxurious showers with a European curbless design. Offered in several sizes, to accommodate any shower application. Simple to install under a waterproof membrane, this system is designed to warm shower floors, benches, steam showers and saunas.

To receive a custom installation plan, simply provide your bathroom's floor plan with dimensions, and include your shower location. WarmlyYours will design your shower system and include a product recommendation for a warming mat and programmable thermostat. For larger applications, multiple warming mat may be required.

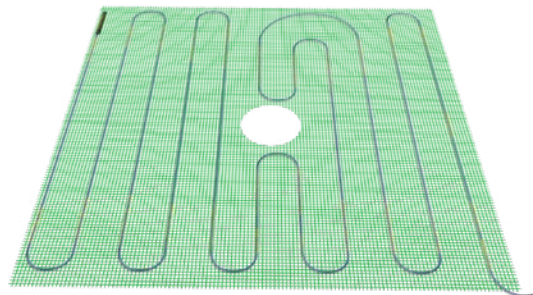

## Shower Floor Mats

TempZone™ floor warming systems are engineered with an insulated copper alloy resistance warming cable taped to a fiberglass mesh backing. The warming cable is evenly spaced in 3" serpentine loops and provides 25% more heating capacity than competitive products. Measuring less than 1/8" thick, the mesh system installs easily under tile and stone and is offered in a variety of lengths to accommodate your project requirements.

TempZone™ is covered by our 25-year, NoNonsense™ Warranty.

## The WarmlyYours Advantage

- Over 14 years in the radiant heating business
- 99% of our customers report complete satisfaction with our service
- 97% of our customers report complete confidence in our product quality
- Industry Leading Lifetime Technical Assistance
