

# 7 Options for Snow Melting Controls

When you install a WarmlyYours snow melting system, you'll need a control group to use with it. We are proud to offer several different options, You can choose between automatic controls or a manual timer and benefit from the convenience of digital temperature readouts and sensors that turn on heat, based on air temperature and moisture. WarmlyYours has an option that will suit your needs. Find your perfect fit.

*\*All embedded snow melting projects will require a NEC-compliant bronze plaque (sold separately). Additionally, depending on the amperage draw of your project, a compatible relay panel (sold separately) may be required.*

**\$5,299**

## **ZoneBraker Touchscreen Multi-Zone Snow Melting Control**

Automatic: ✓

Outdoor Rated: ✗

Moisture Sensor: ✓

Air Temp Sensor: ✓

Slab Temp Sensor: ✓

Digital Temp Readout: ✓

Adjust After-Run Time: ✓

Multi-Zone Capability: ✓

Warranty: **2 Years**

Recommended for large projects  
or with limited amperage

Recommended for Asphalt Applications

**Items Included:**

Touchscreen Multi-Zone  
Slab Temperature Sensor

2

**\$2,999**

## **Premium Snow and Ice Melting Control**

Automatic: ✓

Outdoor Rated: ✓

Moisture Sensor: ✓

Air Temp Sensor: ✓

Slab Temp Sensor: ✓

Digital Temp Readout: ✗

Adjust After-Run Time: ✓

Multi-Zone Capability: ✗

Warranty: **2 Years**

Recommended for Asphalt Applications

**Items Included:\***

Premium Snow Melt Control,  
Slab Temperature Sensor

3

**\$1,199**

## **Advanced Snow Melt Control 100-277VAC**

Automatic: ✓

Outdoor Rated: ✓

Moisture Sensor: ✓

Air Temp Sensor: ✓

Slab Temp Sensor: ✗

Digital Temp Readout: ✗

Adjust After-Run Time: ✓

Multi-Zone Capability: ✗

Warranty: **2 Years**

Ideal for pavers and concrete applications

**Items Included:\***

Advanced Snow  
Melt Control

4

**\$1,449**

## **Economy Snow and Ice Melting Control**

Automatic: ✓

Outdoor Rated: ✗

Moisture Sensor: ✓

Air Temp Sensor: ✓

Slab Temp Sensor: ✓

Digital Temp Readout: ✓

Adjust After-Run Time: ✓

Multi-Zone Capability: ✓

Warranty: **2 Years**

Recommended for Asphalt Applications

**Items Included:\***

Economy Snow  
Melt Control
