## Tahoe 7 Towel Warmer Series - Hardwired Connection 120 VAC

Incorporate the perfect blend of stunning design and high performance into your bathroom with a Tahoe 7 towel warmer from WarmlyYours. With its hardwired electrical connection (120 VAC) and discrete power switch, this wall-mounted model presents a streamlined appearance.

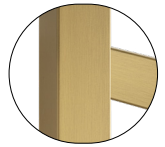

The square bars and straight lines of the Tahoe 7 models are a perfect addition to the linear aspects of contemporary bathroom design. This model will warm and dry your towels and bathrobes with evenly spaced bars.

The Tahoe 7 is available with brushed gold, polished stainless steel, or matte black finishes and it comes with built-in TempSmart™ protection to prevent the unit from overheating.

**Dimensions**
