Electric Towel Warmers: The Elevate Collection

Professionally crafted and designed to fit any budget, our range of Electric Heated Towel Warmers are a key addition to any bathroom and operate at a fraction of the cost of most liquid filled models. Made with superior hand-finished quality metals, each model includes hidden wiring mounts for single stud installation.

Where to Buy?

This collection is available through our online retailers partners. For more information, please contact WarmlyYours at (800) 875-5285.

** Grande 12 Black finish is only available at themine.com, lowes.com or lowes.ca, please check their website to purchase.
