

Infinity

Hardwired Model

The Infinity towel warmer features a classic towel bar design with ten bars, and is convenient and versatile with enough space for several towels to be warmed at one time.

Made of stainless steel and featuring a beautiful brushed-metal finish, the minimalist, Zen-inspired design of the Infinity towel warmer is perfect for creating a tranquil, spa-like environment in your home's bathroom.

Specifications

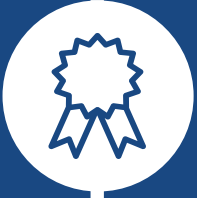

Dimensions	23 5/8" W (600mm) x 32" H (811mm) x 4 3/4" D (121mm)

Watts	150
Control	Programmable Timer or WeMo Wi-Fi Switch

Hardwired Model

24/7
Installation Support

2 Year Warranty

Available with the
Belkin WeMo
Wi-Fi Switch

Smart Controls

The Infinity includes a programmable timer control or WeMo WiFi Switch control. The Honeywell programmable timer enables users to schedule when their electric radiant heating devices should turn on and off.

The WeMo WiFi Switch allows users to turn their hard-wired devices on or off — or even set schedules for them — using a mobile device.
