

Benefit from introducing your customers to in-floor radiant heating. Nothing is more convincing than seeing it with your own eyes – or in this case, feeling the radiant warmth first hand. Give your customers this unique WarmlyYours experience with a heated tile in-floor display right in your showroom! Experiencing the comfort and luxury of floor warming at the “time of sale” improves same-customer sales and attracts new customers to floor warming.

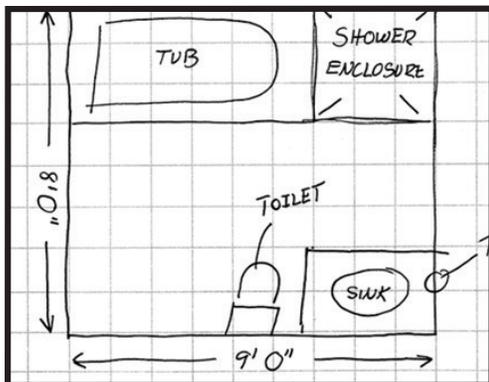

Indoor In-floor Heating Display Program includes:

- **First 15 Sq. Ft.** of floor heating of your choice **FREE*** (includes Cerazorb® or Cork Insulation Board)
- Choose from TempZone™ Flex Rolls, Mats, Cables for under Tile and Stone flooring or
- Choose from Environ Flex Rolls or Mats for under laminate or floating wood flooring.
- Includes Programmable Thermostat and Circuit Check.
- Branded Copper Tile Display for additional signage

Total Value: \$426.50!

Any additional Square Footage available for **50% off MSRP**, rebatable on next WarmlyYours purchase of any radiant heating product.

It's easy to get started:

- Sketch area to be heated
- Provide dimensions and flooring type
