

The Marquee Series of LED Mirrors

Your mirror should reflect your lifestyle. The Marquee Series of LED Mirrors blends brilliant LED lighting, softly diffused by frosted glass, with elegant, Hollywood-inspired designs. These wall-mounted mirrors are both stylish and functional.

The Marilyn LED Mirror

Unique is beautiful—and the Marilyn from WarmlyYours' Marquee Series proves it. This circular, wall-mounted mirror combines organic design with vibrant, full-spectrum LED lighting. Its 27.5" copper-free glass features a frosted inner circle, diffusing light with a warm, inviting glow.

27.5" Diameter

Features

- Unique circular design creates a natural focal point for any room.
- Frosted inner circle softly diffuses warm LED light.
- Produces 2,204 lumens, comparable to a 150-watt incandescent bulb.
- Long-lasting LEDs with a 50,000-hour lifespan.
- Backed by a 2-year manufacturer's warranty.

The Audrey LED Mirror

The wall-mounted Audrey from WarmlyYours' Marquee Series combines classic beauty and seamless functionality. Available in 36" x 24", 40" x 28", and 48" x 24" sizes, this timeless rectangular mirror can be installed vertically or horizontally. Its frosted inner frame emits bright, full-spectrum LED lighting.

48" x 24"

40" x 28"

36" x 24"

Features

- Offered in three sizes: 36" x 24", 40" x 28", and 48" x 24".
- Versatile installation options: vertical or horizontal.
- Frosted inner frame gently diffuses warm LED light.
- Lumen output by size: 3,024 (36" x 24"), 3,686 (40" x 28"), and 3,917 (48" x 24").
- Durable LEDs with a 50,000-hour lifespan.
- Covered by a 2-year manufacturer's warranty.

WarmlyYours 

Be Connected.
Be Warm. Be Radiant.

The Marquee Series of LED Mirrors

The Ingrid LED Mirror

The Ingrid from WarmlyYours' Marquee Series proves that less is more. This minimalist rectangular mirror features frosted bars that soften full-spectrum lighting with a natural hue. Its versatile design allows horizontal or vertical installation.

36" x 24"

Features

- Supports both vertical and horizontal installation.
- Twin frosted bars softly diffuse warm LED light.
- Provides 1,944 lumens, comparable to a 130-watt incandescent bulb.
- LEDs are long-lasting with a 50,000-hour lifespan.
- Includes a 2-year manufacturer's warranty.

The Judy LED Mirror

The Judy from WarmlyYours' Marquee Series combines stunning design with advanced features. This hardwired LED mirror includes an integrated defogger, a 3X magnifying mirror for precision tasks, and touch-controlled cool or warm lighting. Its frosted glass diffuses light beautifully, while a polished bevel refracts it for added elegance. Copper-free glass ensures a crisp reflection.

36" x 24"

Features

- Features an integrated 3X magnifying mirror (6.25" diameter) and a built-in defogger for added functionality.
- Touch-activated switch controls 1,620 lumens of LED light, equivalent to a 100-watt incandescent bulb, with adjustable color temperatures (cool or warm).
- Durable design with a streamlined 1.25" profile and a 50,000-hour LED lifespan.
- Safe and reliable with cULus listed components and hardwired 120 VAC installation for a clean, wire-free look.
- Horizontal-only installation, backed by a 2-year manufacturer's warranty.
