

FeelsWarm® Countertop Heater Display

\$250 - Rebated with your first order

Let your customers feel the warmth and comfort for themselves!

\$250 will be deducted automatically from the custom mat purchase instead of rebated on next order.

Features/Benefits:

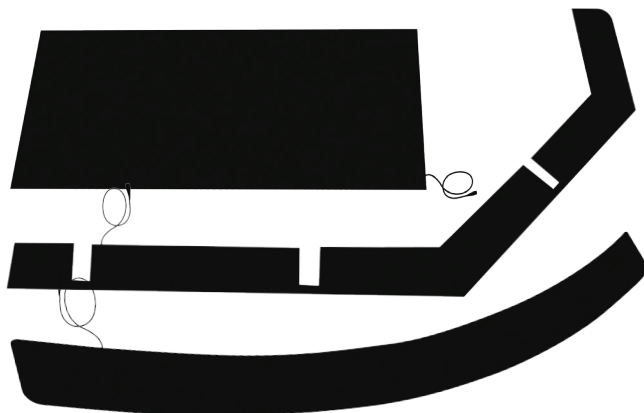

- Can be applied to existing countertops
- Available in both custom and standard mats
- Increases the comfort of elegant granite and stone countertops
- Flexible, heat only the area you desire
- Ultra slim profile less than .025" thick
- Low operating cost – 24/7 cycle for approx. 10 cents per day
- 12" x 12" x 1" thick*

** If you wish to get a custom mat for your showroom instead of the display, send us the measurements.*
