

Radiant Luxury. Defined.

The journey to comfort begins here.

TempZone™ Radiant Features:

- Hottest on the Market: 15 watts per square foot
- Energy Efficient: Warms a bathroom for just pennies a day
- Easy to Install: 1/8" ultra-thin, twin conductor heating elements
- Unbeatable No Nonsense™ 25-Year Warranty
- Signature 24/7 Installation & Lifetime Technical Support
- Safe: cULus listed

Flexibility and Convenience

WarmlyYours allows you to exchange kits for different sizes as needed to ensure you stock only the ones your customers need. With our 6-month buyback warranty, you can return any kit* within 6 months of your original purchase date for an exchange or full refund.

*To be eligible for return, kits must be complete (including thermostat, floor heating roll and Circuit Check) and in resalable condition. WarmlyYours is not responsible for shipping freight. Kits must be returned at your own expense.

Your Solution is Waiting Inside the Box:

- TempZone™ Flex Roll or Easy Mat
- Floor Heating Thermostat (nSpire Touch, nHance, or nTrust)
- Circuit Check
- Installation Manual

How to Order

It's easy to get started carrying these kits, just give us a call at 1-800-875-5285 and a WarmlyYours account manager will be glad to help you.

If you buy 10 kits or more, you can get an additional 10% off (after your regular WarmlyYours trade discount is applied) when you mention coupon SHWRSTOCK to your account manager.
