## **WarmlyYours Enters Lyric Thermostat in Best of KBIS 2015 Contest**

*Lyric thermostat submitted in partnership with Honeywell*

LAKE ZURICH, Ill., Jan. 14, 2015 — In partnership with Honeywell, WarmlyYours Radiant Heating has submitted the Lyric thermostat into the Best of KBIS 2015 competition. Brought to you by the National Kitchen & Bath Association (NKBA), KBIS 2015 will take place Jan. 20-22 in Las Vegas.

This “smart” control puts a new spin on Honeywell’s The Round© thermostat, which made its debut more than 60 years ago. Retaining its round structure, the new [Lyric](#) thermostat features an intuitive interface that knows when residents are home or not. With this knowledge, the system can save energy when residents are away and keep them comfortable when they’re home.

Notably, the thermostat is also compatible with mobile devices so that users can control the device from anywhere. Furthermore, Lyric features motion-sense illumination; a simplified touchscreen interface; Smart Cues to keep users informed of any issues; shortcuts for recurring events; and Fine Tune mode, which takes indoor temperature, indoor humidity, and outdoor conditions into consideration.

“This thermostat shows just how far technology has come,” said WarmlyYours President and Owner Julia Billen. “With a beautiful appearance and ‘smart’ energy-saving benefits, homeowners can sit back and let their thermostat do the work for them. We’re incredibly excited to display this product at KBIS this year, and we encourage everyone to vote for this innovative control.”

Submitted products will be judged by members of the Modenus BlogTour Las Vegas on Tuesday, Jan. 20. Winners will be selected based on functionality, flexibility, quality/durability, aesthetics/style and innovation.

Competing products will be displayed on two walls located in the North and South Halls of the Las Vegas Convention Center. You can also check out the Lyric thermostat in person at the WarmlyYours booth (S3069) in the upper South Hall, just one row away from the Best of KBIS Wall.

Winners will be announced on Wednesday, Jan. 21, at 11:00 a.m. on Center Stage in the NKBA booth (N2163).

Attendees can also submit their votes for the People’s Choice Award. To do so, log into the KBIS 2015 mobile app any day of the show and select the Lyric thermostat.
